“ *Dear Grauso's, I am so sorry to hear about John. Although we hadn't spoken in years, he'll always be one of the most important people in my life. He will be in my memories and prayers, and it saddens me deeply that he's no longer with us. I'm positive that he's in a better place, and he'll always be looking out for all of us. He was my mentor and friend, and I will miss him. Please give our thoughts and condolences to the entire family. “ To Megan and her family- I cannot imagine the pain that you feel. To lose someone as wonderful and Godly as your father is devastating, but praise Him that is was a child of the King, and that you will one day be reunited with him. I am so proud of you and your family for seeing Jesus Christ in all things, including this, as hard as it is. I will continuously pray for you, your family, and strength for the journey ahead. Just knowing you, Megan, I can tell what a powerful and influential man of God your father was. I am with you and your family spiritually and emotionally. In His Name,

“ Our thoughts and prayers are with your family. Your family means so much to us and Bob will miss his brother John standing behind him every Sunday morning playing his guitar during worship. John's life was a life of faithfulness to Christ and he will be missed. I'm sure he is in heaven right now playing music with his brother Joe and friend Linda.##imported-begin##Bob & Judy Garrett##imported-end##
