“ Kim, I can remember when I was 8 years old, Jack Taylor and I would all play with nerf guns. Goodness, time flew by so fast. There is NO doubt about it, that you and Jack were the only people (other then my family) I enjoyed time with in Alpharetta. Jack was such a great great boy. Even though he was just a year younger then I, he always knew how to have the best time, and he was always smiling. I am going to miss him everytime I enter the city of Alpharetta, you and him both will be in every one of my prayers. You son was one the most giving, amazing boys I knew. He was flawless in so many ways. I will miss him dearly.###imported-begin###Polk Family Member.###imported-end###

“ Jack was a wonderful, enthusiastic, inspirational young man. It was a pleasure to meet him, coach him, play beside him, and celebrate with him. It is worth retelling that we read a story about Jack, specifically how he helped to comfort and educate a young patient in the hospital while he was getting treatment in the past. He was very special and left a lasting impression on our family. God bless his family and bring peace to Kim, his siblings, and Steve.##imported-begin##The Cookson Family##imported-end##

“ Kim and Family, Your son was such an amazing and inspiring young man... A smile the size of Texas and a heart just as big. Tucker loved playing football with him this fall....He told me, "we always talked on the sidelines...not everybody liked to talk, but Jack did." Jack's fierce courage and kind, positive gentle spirit impacted us all. You will continue to be in our prayers for the weeks and months ahead. “ My dearest Kim, You are in our prayers every moment of the day as you mourn for Jack. Jack touched the lives of everyone he met. Jack's message of humor, courage, kindness and the ability to overcome tremendous pain and suffering will forever be an inspiration to us. Jack loved me as his teacher and then as his buddy, and I him, as we shared so many parallels in our lives. We are confident that our angel Matthew greeted him in Heaven with his big heart and open arms. We know we you are at this moment and we will forever be there for you. Our prayer is that God will continue to surround you with his unfailing love and comfort everyday.

All our love,
Mary and Lee##imported-begin##Mary and Lee Cady##imported-end##

“ Kim, We have fond memories of watching Jack enjoy the pool on Sherry Dr. He was a courageous swimmer at a very young age! That courage continued through the greatest battle of his life. You both have been such an inspiration to us and countless others. Please be assured of our love and prayers for you and your family. “ Ms. Sanders,
As Jack's Science teacher, I am so saddened by his passing. He was such a little Southern gentleman who was kind to everyone. His smile brightened my class each time he came. I will miss him greatly. You and your family will continue to be in my prayers.##imported-begin##Regina Karow##imported-end##
