“ *Mary, So sorry to hear about Jack. It has always been a pleasure to know and to work with him at Ethyl (remember Ethyl). It was also a pleasure for Betty & I to visit with you & Jack during the Ethyl years. I last saw Jack at Barry's funeral and we had very pleasant meeting trying to remember old friends and events. Again, I am so sorry. I think about Jack sometimes and will always remember him as a very nice person to know as a friend. We hope you are doing well.*
