“James” don’t be cruel. What was your role anyways? Probably nothing of importance because he treated everyone with kindness. Obviously you have nothing better to do but look at peoples obituaries. Good luck little boy.

James, you should be ashamed of yourself. I just so happened to be an employee of the family for over 20 years and know 100 percent that your statement is false! By the way, I agree with Emie! Much love to you sweet girl! You know who this is! :)
