“ Not everyone can say they've grown up with the same best friend since they were 5-6 years old. I am one of the few that can. Thick as thieves along with many other dear friends we've had adventures all over the place. Many started from the farm on Bethany Road. Didn't matter if we were going to Terry's, swimming, fishing, playing ball in the back yard with Chip and Jason we always had things to do, and people to see. I've always loved the Lunsford family, Big John, and Pam always welcomed me into their home as if I was one of the family and I could never thank them enough for it because it was like my second home. Till this day, we could pick up the phone, or get together and it was as if nothing had ever changed. I will always love, and miss you brother!

“ Oh my goodness... so many "memories" of "Little John" at the horse shows while Jenn and Dad were showing. My heart breaks for his family. May he rest in peace and may his family find comfort in each other during this impossibly difficult time.
