“ *My deepest sympathies go out to the entire Creel family. I met Mr. Creel a couple of times over the past few years, the last being at a high school football game several years ago. It was obvious he was a good man, and just as obvious why his son John turned out to be such a good man as well.*

Please know you'll be in my thoughts and prayers during this tough time.

“ *I met Mr. Creel a time or two but I admittedly did not know him well. The one thing I do know is that his son, John III, loved his father very much. He often shared with pride the knowledge, and humor, passed along from his father. John's friends at NewsChannel 9 will miss those words of wisdom from Mr. Creel.##imported-begin##Richard Simms##imported-end##*
