“ *John, For so many years you have always been a true friend to me from the times at the creek, the clubs and the house. Your honesty, heart of gold, and honorable wisdom always made me smile when you were around. Someday we will run into each other again but until that time, watch over your family, watch over me, and make heaven above a better place.*

You'll always be part of my heart.

Arlene, my thoughts and prayers are with you and your family in this difficult time.

God bless you and keep you.##imported-begin##Shawn Stratford##imported-end##

“ *Arlene, I am so sorry for your loss. There are no words for something like this. You are a wonderfully sweet and strong person! I can't imagine what you must be going through right now, but I know you will come out on top. My thoughts are with you and I am here for you if you want to talk anytime. I'm sending a big hug and a kiss for you. All you can do is take it one day at a time. Love you girl, Jennifer##imported-begin##Jennifer Higgins##imported-end##*

“ Years ago you had a dream that Tito Rudy [your Father, my uncle] handed you a set of keys which symbolized that you were then to take charge and man the "fort". Boy, you worked those keys like you owned it. Good times. I would not change a single thing. You lived a good life and you lived it to the fullest - no expense spared. I guess this is the scene where you ride into the sunset, the credits roll and the soundtrack kicks in. I'm OK with that.
Put in a good word for me with the Man upstairs. Send my regards to Papa, Mama, Tito Rudy and the rest of the people that started this all. As you head back to meet our Creator, look around, enjoy the sights but careful not to break anything. Up there, you can't get away with that anymore. Remember you are now dealing with the real "Don." You will remain in my heart for as long as I live. I love you Paul. See you on the other side.
