“ *What I remember most about "JP" was his zest for life, his vigor, his kindness, his compassion for individuals, and most of all his friendship. I first met John Paul in elementary school and we became great friends. He always introduced me to numerous salamanders, frogs, garter snakes, crawdads, and many other living things that he had an interest in. He was the type of person that was a friend to people from all walks of life.*

He was the most genuine and kinder personalities that anyone in the city of Buford could have ever known. I would like all of you(family) to know that you are in our thoughts and prayers. John Paul will truly be missed and will never be forgotten. Thank you for giving us someone like him.##imported-begin##Angelo Pace and Gayle Price, the rest of the Pace Family##imported-end##

“ Dear Heather; our whole family is very saddened by the too soon death of JP. In many ways we felt he was a member of our family as well. His kindness to others and genuine caring about those around him will leave a legacy for all of us who knew him. We can not express how much he will be missed. Our hearts are breaking for him and for you as well. Please let us know what we can do to help in this time of sorrow.
