“ Our condolences to Cecilia, John, Jr, Steve and Paul, and their families. ... love Jean Sullivan (my family) .. Cara Vita caregiver to your husband/dad The short amount of time I took care of him and enjoyed it, he was very alert, polite, we talked about different things, he loved his wife very much and she was very strong . He loves his children and their families very much. You are all blessed to have a loving family and staying together. It's very hard to find that. He was a loving husband, father and person and the wife, sons and their family loved him dearly. Also, he made sure I was taken care of and the family made sure I was taken care of while I was there.
