“ *Dear Brittany, I will never be able to express how sorry I am for the loss of your Dad. I cannot imagine what you are going through right now, but please know I love you and I am here for you. You are in my daily thoughts and prayers. I loved John. He was a great uncle for the 20 years he was in my life. I always felt a special connection/bond with him from the time I was young. I can't imagine living in a world without John in it. He was larger than life and one of the most kindest, most generous men I have ever known. I have so many great memories of him. He is sorely missed and will be forever. My sincerest condolences to you Britt, as well as to his surviving wife, his siblings, neices and nephews, and loved ones and friends whose lives he touched. He certainly touched mine. I love you John. I knew once you got a little glimpse of heaven, there would be no stopping you from joining that big party in the sky.##imported-begin##Melissa Frye##imported-end##*
