“ *I worked with him very closely on a day by day basis. When we had a moment, we would always talk about taking his sons to Hockey Games and taking his Wife out on the town. He seemed like a loving Father and Husband. One of the hardest workers I have ever met. He Brought a world of experience to the office everyday but also wasn't ashamed to admit he was wrong about something and take it on as a future improvement. Now that he is gone, I truly understand how much he contributed to our team the last year. You will be Missed Sir! Godspeed!*

“ *It was my absolute privilege to know and work with John. Overwhelmingly positive and friendly John was a smiling face who would always say hello or wish you well on your evening or weekend. Knowledgeable, dedicated and hard-working John was the sort of man that never shied away from offering a helping hand but also a man humble enough to not be afraid to ask for help. Kindly and earnest he will be sorely missed by the IPA family. Please accept my sincerest condolences for your family's loss and know that you too are in our thoughts and prayers.*

“ I am deeply saddened by the loss that you and your family have encountered. My condolences to each of you. For the short time I knew John, I know that he cared deeply about his family. From his IPA family, he will be truly missed! I usually got here the same time as John and we usually walked in together. He always had a smile on his and always a kind word. I pray for your strength and comfort in your time of need.

God Bless,

“ *Dear Dianne, John Jr. and Matthew, I received calls all day yesterday about Johns passing. I cant tell you how how upset we are. John was such a good man who was always willing to help. He helped when we were losing our dog and I was a wreck. He had such a gentle heart and over all a great friend and wonderful neighbor. He will be missed by everyone. Praying for the family at this difficult time. Love you, Sheri, Gary, and Kyle.*
