“ I'm sorry for your family's loss. I knew John many years ago through the AV industry. He was one of my favorite sales reps when I was just getting started in this business 20 years ago. I remember his quiet voice and genuine interest in helping our company. And the professional respect he gave a twenty-something-year old me that probably acted like I knew everything in the world already.

“ Myra, Keenan and Mark, I am so sorry to hear of your loss. I haven't seen John for so many years, but he is one of those people who will never be forgotten. They say that we only remember a small portion of what people say and do, but we never forget how people make us feel. I remember John always making me feel warm, welcomed and cared for. He never seemed to be in a hurry and always had a listening ear. I wish I could be there to celebrate John's life with you all. Please know that I am praying Matthew 5:4 for each of you.....praying that in your mourning, you will be comforted by our Lord and Savior Jesus Christ. Much love to you all and to your families!

“ Words cannot express how sad our family is, at the loss of my Uncle John - "Buddy". He was a favorite uncle of mine and though we lived far and did not get to visit nearly enough, I have so many great memories of summers, Thanksgivings, Christmases and many other events spent together that I will always cherish. He was one of the kindest people I know and always had a genuine interest in what you had to say and what was going on in your life, and always made you feel special and welcome in his home. He is going to be missed so much, but I know he is with our Lord. My prayers are with my sweet Aunt Myra, Mark and Keenan and all of our family.
