“ Dear Paris,
My love and prayers to you and your family during this very sad time. I hope that with time, the raw pain you feel right now will be replaced with loving, comforting memories of your Dad. What a joy that you were all there with him and he was surrounded with the love of family and music.
Just one quick question for you though Paris...Did by any chance your Dad's passing coincide with your playing of your banjo...Oh never mind...probably just a coincidence.
My love to you all,

“ Dear Peggy and family,

My heart is broken for you at the loss of John, I only had the pleasure of meeting him twice; at Paris and Penny's wedding and at Meg and Rick's. Waht a dear man he was! He reminded me of my late father-in-law; a quiet man but, when he said said something it was defintiely worth listening to.

I know he is resting in the arms of his savior and somedasy you will be reunited. God bless you all!

“ Paris, KP, Meg, Tim, Bunna and the rest of the Donehoo family, I'm so sorry for your loss. I know what a profound impact he had on your family. I'm grateful for the time those of you in Florida were able to spend with him before the end. Looks like that he intended for that to be his last hurrah...and it sounds like it was a fine one at that...especially with the banana pudding.

You are all being thought of and prayed for by everyone here at FCC.

*Love you all lots,
