“ Hoping it helps to know that others share your family's sorrow. It was just the two of us these last few years and now I've lost my last sweet sister. I will remember the love and happy times when we were all together. You will always be close at heart.

*Deepest Sympathy,
Margaret*

“ There is nothing that can replace the absence of someone dear to us. Aunt Becky was special in so many ways and there are many fond memories of time spent together. A true southern lady, she always welcomed you with a smile and hospitality at her beautiful Florida home. We share in this time of grief for your family and may hope and peace be with you.

*With love and sympathy,
Karen and Tony Bentley*
