“ *I so loved your Mother and Dad. We bought the cabin from them and I always sent your Mother a card to let her know that we still loved the cabin and have been so very happy here. The Stewart family left this home just packed full of good memories and love. We feel the love here everyday. You are all blessed to have had such beautiful parents.##imported-begin##Shirley Stallings##imported-end##*

“ You were my Aunt Johnnie from the first day I came into this world eventhough we did not share any connection by blood. I will miss you but heaven has another angel to watch over the ones still here. Give all them up there a big hug and kiss from us. My mom will miss you too...She thought of you often.

Family please know that we are praying for you during this time of sorrow.

Love,
