“ *I am so sad to hear of Johnny's passing. I am sad for Sue and his children and grandchildren. But happy that Johnny will be healthy again in Heaven with our Lord. I knew Johnny from working with him at Lockheed Martin and he was a happy soul who loved his co-workers. Sue and Johnny had a very special marriage and their relationship is what other couples should strive for in life. I love this family and will miss Johnny Bryson!*

“ *My heartfelt condolences to you all. My fondest memory of Johnny was when Whitney was born and he was so happy and loving. He even spooned jello for me in the hospital. He has, and do I mean has, a huge heart and the best twinkling eyes. All my love, Cindy*
