“ I was very fortunate to meet Jon on a few occasions through Sarah and his charm as the consummate southern gentleman was immediately endearing.

Growing up boating on Lake Lanier in the 80's, Jon Stovall was a house hold name. His vision and love of boating and all things outdoors shaped many of the memories we have of our time spent on the lake.

Dawn and I both are very sad to hear of his passing.

Jon was a great man who lived a full and wonderful life. He was loved and will be missed by friends and family alike.

Jon and I lived just a few blocks from each other in Decatur and became great friends. I was in his and Ann's wedding and visited them often in their first house on West Parkwood. Over the years we saw each other less often but talked on the phone from time to time. I just learned of his passing and it makes me very sad. He was a great guy!

“ It is with profound sadness that I mourn the passing of Mr. Jon Stovall.

For six precious months, I had the privilege of serving as Jon's caregiver, and in that time, I witnessed firsthand his remarkable strength, resilience and unwavering spirit. Our bond grew stronger with each passing day.

I will forever cherish the memories we created together – from our gentle walks to our quiet moments of connection.

As I say goodbye to this remarkable individual, I take comfort in knowing that Jon's legacy will live on through the countless lives he touched. May his memory be a blessing to all who knew and loved him.

Rest in peace, dear Jon.

“ My parents Bob and Jeree Creech lived across the street from Jon. His son and I grew up together. From bicycle to cars to wife's and children. Jon was and always will be a great man. Had a lot of great memories growing up across the street. Spent great times with Jon Jr and his father on hunting trips. Miss his cook out Jon would have at his house in Riverview. He would feed the entire neighborhood. Great memories.
