

## Trevor Bryson

January 5, 1971 - December 24, 2024

Jon Trevor Bryson, 53, of Cumming, GA passed away unexpectedly on December 24, 2024. Trevor was born on January 5, 1971, in Marietta, GA. He was a software developer and computer programmer who specialized in graphic design. He was ingenious with technology and a creator of anything he could fabricate. He loved the outdoors, guns, Jeeps, trivia, 3-D printing, laser engraving, and of course, his all-time favorite was watching Jeopardy at 7:30 every night. He was a man of many trades and had big dreams. Despite his health challenges, he would dream of all the things he could invent.

His dreams were big, but his heart was bigger. Trevor accepted Christ as his Savior at an early age and lived out his faith by loving people. He was a giver and generous with his love and time. He enjoyed making others laugh. His humor was a way he connected with people. He loved his family, his friends, and Facebook.

Trevor is preceded in death by his father, Johnny Bryson. He is survived by his mother, Sue Grimes Bryson, brothers, Steve Bryson (Lesli) and Greg Bryson (Kristin), a sister, Sheryl Bryson, a niece, Whitney Bryson, and nephews, Hayden and Brady Bryson.

A private family graveside service will be held.

A celebration of Trevor's life will be held at a later date.

“ *I am so sorry to hear about Trevor's passing. I've heard many stories about trevor. He was such a bright light—his humor and ability to make people laugh were truly one of a kind. He was one of a kind. His nephews, brother, mom, dad, & sister loved him. I am thankful to know he is a peace now and the family has a great guardian angel. He brought so much joy to those around him, and I hope the bryson family can find comfort in the happy memories he created. Please know that the entire bryson family is in my thoughts and prayers during this difficult time.*
