“ *Rachel, Graham and Duncan,*

We're so sorry to hear of Coach Jon's passing. Our thoughts and prayers are with you and your family. We enjoyed countless good memories of coaching and playing with Coach Jon and your family on both the Lightning and the Falcons for nearly a decade. Jon always shared his wonderful knowledge and passion of the game he so loved while committing himself fully to developing our young players. Other than the year of his heart surgery, he never seemed to miss a practice or a game.

May God bless and comfort you all.
