“ Jose... this photo was taken at a BBQ for the 4th of July at the house. You volunteered to be the chef because I didn't know how to use the grill. Everything came out perfect that day because of you! Like so many times, you made the whole day better with your laughter, jokes, singing and dancing and of the course the food was amazing I have so many wonderful memories of you and will always be grateful for the love and friendship you extended to me and the kids. Thank you for always being there with a smile, for your generosity that was unending, for your kindness when I was sick, for teaching me how to dance 🍷 and most of all for being one of my dearest friends.
I will miss you compa but know we will meet again.
