

Mr. Joseph Earl Finn

April 24, 1965 - December 29, 2021

Joseph Earl Finn, of Roswell Georgia, passed away December 29, 2021.

Joe grew up on a beautiful farm outside of Kasson Minnesota. He graduated from Kasson/Mantorville High School in 1983, then joined the United States Air Force, serving at Hill AFB in Utah, and then as a proud member of The Thunderbirds, the USAF demonstration team, in Nevada.

Upon leaving the Air Force, Joe worked in the telecom business for over 25 years where his hard work ethic, untiring energy, and love of networking led to great success.

Joe was a wonderful husband and kind and loving father. His family always came first. He was extremely proud of his children: daughter Katura Finn and son Jacob Finn and adored them and his wife of 31 years, Julia Finn.

He will be remembered for his big heart, his generosity, his great laugh, his wonderful curiosity, his goal for the perfect golf shot, his encompassing huge hugs, his strong faith, and his immense love of family and friends.

A Celebration of Life service will be held this coming Spring

In lieu of flowers, the family wishes memorial donations be made to Sentinels

of Freedom in memory of Joseph Earl Finn.

“ *I think we all from the class of 83 and 84 can share a memory of Joe. So many words to describe Joe Finn—kind, funny and oh such a good listener. He never judged people and opened his heart to all. Not surprised to read about his life as a good father and how he excelled in life. He continued to be loved as an adult man. We all smile when we think of Joe Finn. 💜*

“ Julia, Katura, Jacob, Yvonne, Chuck, John and Jim, I am stunned and greatly saddened having learned of Joe’s passing. It is so strange to write such a sentence. I cannot recall when I came to know Joe, but I can recall innumerable hours and days spent with him and friends in and around Kasson, MN, during high school and thereafter. We laughed so hard many times and he was my cohort and accomplice (or I his) in many “capers.” My eyes well up now as I write this while at the same time I am chuckling to myself about all those times remembered in aggregate. I can still hear his trademark salutation when he would call on the phone, “Hey, whatta ya doin’?” You could always just pick up where you had left off even if you had not seen Joe for a long time. Joe was ambitious and an achiever. I was not surprised at all when I learned that he had been picked to be a member of the AF Thunderbirds. It made complete sense. It was good to reconnect with him a few years ago then to learn he had become a VP at a company and again it was not surprising. So now it is with great reluctance that I must say so long dear old friend. Thanks for sharing your zest for life and irrepressible energy with me/us. The pleasure was all mine/ours. “ Julia, Katura, and Jake, I am so sorry to hear of Joe’s passing. Joe was like a brother to me in high school. We had many hilarious adventures together and I will cherish every minute we spent together. The utter shock of getting the news about his passing hasn’t even completely sunk in yet so I’m struggling to find the right words to express my sadness for you and Joe’s extended family. Always remember the good times and the special moments you all shared together. I know I will never ever forget my special buddy. Love you guys.
