“ *I have so many wonderful memories of my Godfather, my Uncle Joe...My most cherished is his giving me away at my wedding. I remember his sweet smile and sharing a glass of Merlot every chance we could. I remember the times we shared at Grandma's house on the Lake and him cooking barbecue chicken like no one else could. He also made awesome swiss chard. I will miss him, but I know he and my mother are together in heaven and that makes me happy...Until we all can be together again playing a friendly game of cards and sharing laughter and good vino I will take comfort in the fact heaven has two very special angels watching over me...I love you Goomba.  
Your loving God daughter, Lori*

“ There are so many fond and loving memories of my dear Uncle but all of these memories have a common thread.....always included a tribute, cheer or well wish while having a glass of merlot. I will miss you my dear Uncle but I know you are in heaven with all of the family passed before enjoying a great game of cards. I also know you all are watching over us and take great comfort in knowing this....

*Love always,*
