“ *Cindy, myself and even our perennial toy store staff loved Joe. He was such an uplifting, fun and positive influence on us every time he came to see us. I will always remember his insights into the military, politics and how important family was to him. Oh how he loved those children! I am saddened that we will not share again. To his loved ones I hope it is of some value to you to know how Joe was admired in the community.*

“ I express my deepest condolences to Joe's family and friends. I had the wonderful opportunity of getting to know Joe during boot camp exercise classes. We all had such a great time as we laughed, exercised and got into shape with our trainer, Tom, leading the way. Although he was the most senior member of our class, no one would have known that by the way he performed each of the exercises. I will always fondly remember Joe's and Jill's hospitality following the completion of one of our 6-week sessions in celebration of our accomplishment. We had such a great time!

I will really miss seeing Joe dressed in his wonderful Halloween Costumes and seeing the many stickers on the rear window of his truck as he drove down the street. What I will most remember about Joe is his love for his family - he beamed when he mentioned Jill and the kids. I will truly miss Joe as a wonderful neighbor and friend. He will be sorely missed by all.

“ Joe Smith was a very sweet man who always welcomed Morgan into his home. He was always willing to lend a helping hand for others. He was funny, kind, and he knew what to say to put a smile on people's faces. I remember when we met him for the very first time he gave us all hugs. We always enjoyed spending time with Joe and his beautiful family. Joe was full of life and happiness, he will be greatly missed by the Taylor Family.

Our thoughts and prayers go to Jill, Andi, and Halle.
