“ Please know we had the pleasure to meet Josh in Auburn and indeed he had the smile of an angel. He helped Kelcey through many a crisis with his laugh and smile. He was a great friend and a great human being to all who had the pleasure to know him. We are sincerely in grief at the thought of the loss of this young man. Kelcey is broken hearted at the loss of Josh. I reminded her she now has a new angel watching over her.##imported-begin##DR. AND MRS. KEN HEALEY##imported-end##

“ Josh was the guy who always had a smile on his face. He could light up a room with that smile. He would make you laugh if you had a bad day. I have had SO many great times with him and I will never forget him. Whenever I hadn't seen him in a while he would always say to me "wanna hug it out?" that was his favorite phrase. My heart is broken for the loss of him. I will always cherish the wonderful times we had together. I love you Joshua more than words can explain. You were a great friend to me. My heart and prayers go out to his family. You will be missed dearly.##imported-begin##Kelcey Healey ##imported-end##
