I loved Carolyn very much. When my kids were young I taught with her at Awtery Middle School. Then when Kim was young, Carolyn and I were in graduate school together. We got an apartment in Athens and Kim, Cecilia, and Rodney (my two children) went with us for the summer. My daughter was old enough to babysit, so she kept the two younger ones while we went to morning classes. When we got home they were watching the tv in swim suits so we could go to pool all afternoon.

As time passed she ended up at Wheeler and I at Walton so we stayed close. Later I retired from Pope. After that, we kept in contact as Lady Bug members. My dear friend will be greatly missed and even though, I haven't seen her lately, she was definitely close in my heart and prayers. May God hold Kim, family members in His arms at their time of loss.
