“ Billy, Eric, Evie, & Drew,
Judy was a strong loving woman who loved her family, her God, and looked to the day that she would be released from her physical bounds. She was an inspiration to those of us that had the opportunity to know and spend time with her. I know you will miss her physical presence but that you celebrate her life and the impact she had on so many.##imported-begin##Carol Solesbee##imported-end##

“ *Billy,
Wanted to let you know that you and your family are in my thoughts and prayers. It's been 40+ years - but I have kept up with you through Belinda & Diane. I'm sure that Judy fought the good fight, and now she is resting in the arms of our Lord.*

“ To Billy, Eric, Evie and Drew: my heart is so heavy tonight with sorrow for all of you at this news, and for a life which should have been much longer.

Now Judy is strong and whole again, watching over her family. Look for her in places you least expect her, and know she is always with you.##imported-begin##Cheryl Manley##imported-end##

“ My prayers and love go out to Judy in heaven and her family she is watching over on earth.

Billy, Judy hired me as an RN 11 years ago and I have been able to share in her love and freindship over the years. I was able to share in her joy and love thru your daughters wedding, to fittings of bridesmaids dresses, to trips with her at an Oncology conference. She was a special person to my family and I and I am a better person for having known and shared in her love.
