“ I wish I could be there to show my respects. I worked with her for several years at GD/CSC in Fort Worth. She was such a wonderful person to work with. She taught me a ton about system administration. She had a great sense of humor and was fun to be around both on and off the job. She coached our coed softball team. Jennie and I are so saddened by her loss, we will never forget her. God bless Jeff and Kristen and Josh thru this saddest of times.###imported-begin##John Kemler###imported-end##

“ *Dear Jeff, Kristin, Josh and to the extended Ashmore and Havrilla families, my heart is heavy to learn of the passing of Julia. It will be difficult to see beyond the sorrow of today, but it is my prayer that God's grace and the memories of love & laughter shared will comfort you in the days ahead.*

When those we love have left this earth, we still can feel them near. We'll see a picture, hear a song, and it's just like they are here. And when we call upon our faith, when we believe and trust, we know the ones we care about are always close to us.

“ Jeff, Kristen, & Joshua we were stunned to hear of Julia's passing. I remember the smile she always carried with her and her kind and gentle ways. I know she was a wonderful wife and mother and we mourn her passing.

Uncle Julius and Aunt Carolyn, Tim and Shane. I know your hearts are breaking too. I will always cherish the times we shared growing up when we visited. Julia was always bright and cheerful and just a little bit mischievous and a lot of fun.

May God strengthen all of you and uphold you during this time when the pain of her passing is so fresh and in the tomorrows that will be little more difficult without her.

Think on the good times and cherish those memories as we all look forward to the day when we will all be together with our Lord in Paradise.

With all our love and prayers.
