“ Pat

I was very sorry to hear about Don's passing. I worked with him for many years what a nice guy he was. I will always be grateful to Don for giving me your Dad's name and number and getting me into this post retirement job. Would believe nearly 21 years later I'm still jockeying cars around . Made many trips with Bud and I still remember him calling you Patty Sue, he was the only I ever heard call you that. Praying for peace for you and your family.

“ I feel exceptionally fortunate and honored to have been Don's Brother-in-law. I am not sure that the 'in-law' reference ever applied to our relationship as we always referred to each other as Brothers (Brothers from different Mothers). We shared a passion or maybe a mutual fault for detail of doing ALL things in a very structured and methodical manner. I miss him dearly but know that when we do meet again, he will definitely have a big smile and a greeting 'JACK' for me in his hand. Love you Brother !! Steve

“ Don was my very best friend in this world. We met around age 16 and had common family interest in both our families. We walked a very interesting life together and needed each other at that time to lean on. I loved you ole buddy and will miss you very much!!!
