

## Justin Mourning

November 22, 1977 - September 11, 2024

It is with deep sorrow that we announce the passing of Justin Mourning, born on November 22, 1977, who tragically lost his life on September 11, 2024, in Alpharetta, GA. At 46 years old, Justin was a cherished member of his community and a devoted family man.

Born and raised in Denver, Colorado, Justin graduated from George Washington High School where he was an avid basketball player. His youth was defined by sense of adventure: snowboarding, water rafting, and biking through the vast mountains of Colorado. As a young father, Justin instilled that same sense of adventure in his daughter Tenlie. He taught her the meaning of fearlessness by taking her to lakes to jump from the rocky cliffs of their home state.

In 2006, Justin met his wife of 17 years, Tiffany (Cooper) Mourning, and became a father to Haden. Together, they moved through the world as a unified front, putting family first, and relying on their unbreakable bond and true love for one another to navigate life's changing tides.

Justin built a successful career as a Sales Director at Lumen Technologies. His professional journey was marked by his relentless dedication to excellence and continual improvement in all aspects of his life. His role at Lumen brought his family to Alpharetta, Georgia where they thrived in the

community and culture of the small city. In Georgia, their son Haden followed in his father's athletic footsteps as a passionate baseball player, with Justin attending every game and coaching him from the sidelines.

A true optimist, Justin was a lifelong learner, relentlessly observing people, relationships, ideas, and culture to find the lesson — and the good — in the world around him. As a result, Justin was an anchor and continual source of wisdom for those close to him.

Justin was an active member of North Point Community Church and was on the Board of Directors for the Technology Association of Georgia. His involvement in his community highlighted his generosity and his desire to make a positive impact on those around him.

Justin is preceded in death by his beloved mother, Christy Lynn Mourning. He leaves behind his devoted wife, Tiffany Mourning; his daughter, Tenlie Mourning; his son, Haden Gupton; and his grandmother Myrna D. Mourning. His memory will be lasting, held dearly by his family and all who knew him.

A memorial service will be held on Thursday, September 26th, at 11 a.m. at NorthPoint Community Church, where friends and family are invited to come together to honor and celebrate Justin's life.

In lieu of flowers, the family requests that donations be made in memory of Justin Mourning to Northpoint Community Church, Care and Crisis Ministry.

“ *I worked with Justin at Qwest/CenturyLink and Lumen out of the Alpharetta then Norcross offices and although we did not work together in any capacity I knew him to be a very kind, outgoing, friendly face. That was because he made sure he said hello and asked how you were. He always wore a big smile and was upbeat. He was one of the good ones and I pray for some peace and justice for his loving family and friends.*
