“ Mark, I had had Kathy on my mind for several days and heard from Julie that she had passed away. I am so sorry for you and the girls and her family. She struggled so hard, but she made it look easy with her grace and determination. I very much admired her. I pray for peace and healing for you all.##imported-begin##Phyllis Remke, Atlanta Cancer Care##imported-end##

“ I have known Kathy for many years, first working with her at Thread of Love and then as part of the staff at First Baptist Alpharetta Preschool. Kathy was such a kind and loving lady. She crocheted a blanket baby blanket for my now 10-year-old daughter and an embroidered onesie that I have always cherished and now will look at them in a new light. May God grant you his peace as you begin to come to grips with her loss.##imported-begin##Lori Kneeburg##imported-end##

“ I met Kathy through Girl Scouts and she was a Girl Scout in everything she did - honest and fair, considerate and caring, and mostly making the world a better place. She did make us all better with her gentle manner and love of children.

To her daughters, Mark and family, I pray everyday that you will always feel her gentle manner from heaven helping you in all the things you need.##imported-begin##Lisa Martin##imported-end##

“ Over the years as we sewed together at Threads of Love, I grew to love and admire Kathy. She was always dependable, always friendly, and always generous with her sewing talents. God blessed many preemies and their parents with Kathy's baby gowns, and He blessed the other members of our TOL sewing ministry with her friendship.##imported-begin##Carolyn Caswell ##imported-end##

“ Unfortunately, I only knew Kathy for a short time; yet her life made such an impact on mine. We both started working at Roswell High this school year. She reached out to me soon after we met; just when I needed it the most. Kathy was one of the kindest people I have ever met. At the end of every school day, I had the privilege of talking with Kathy about her illness, her family and life in general. I looked forward to our daily chats. She was such an inspiration to me! Throughout her struggles, she never lost hope, which gave me hope that she would one day be healed. God brought her to Roswell High to love on the kids and to touch everyone she met there. I am one of those touched by her life. I will forever be changed by Kathy's determination; her will to live and her love for others. The love she had for her girls was undeniable; we spent much of our time talking about them; her hopes and dreams for their futures. She was such a great mom! I am so thankful to have known her, if only for a brief moment in time. My thoughts and prayers go out to Kathy's family. May you always be comforted by the sweet memories and love you have in your hearts. Until we meet again...rest in peace, sweet Kathy; I will miss you so much. “ Dear Maureen, Jack, Marc, McKenzie, Delaney, Bob and Michelle and all who have been blessed to know and experience the love and friendship of Kathy.

Kathy is now peacefully with the Lord . Kathy always taught us the meaning of Faith, Hope and Love in all that she did from the time she was a little girl. She reflected the joy, the peace and caring Love of the Lord for all of us who were privileged to know her as a relative or a friend but especially in the Christlike way that she accepted and dealt with the challenges of her illness most recently. Sandra and I send our love and prayers for Kathy and each of you at this difficult time. May her wonderful smile, peaceful manner and warm spirit in the Lord continue to console each you and inspire all of us.

Love,

“ I have had the pleasure to get to know Kathy this year working with her at RHS. She loved the students and she had a gift. She was always the first to help someone out. Even her "bad" days, she put a smile on her face and trudged on. I always joked with her that she was a stubborn lady, but she was so much more. Kathy was a great mom with a huge heart and an even stronger soul! I am grateful that Kathy was placed into my classroom this year and she was a Godsend in so many ways. She touched my life in such a short time, I can only imagine how she touched those that knew her longer. Words can only express my condolences to her family.##imported-begin##Melanie Averitt##imported-end##
