“ *Dear Sheila and Dan, I'm so sorry your mother went on to her next great journey. I was just reading a letter she wrote to me in 1985! She was preparing for your wedding. She was such a loving and kind person to me. I lost contact with her although I can't remember how or why. Please get in touch with me.*

“ I remember Kathleen as a girl always smiling. Growing up next to her I often had breakfast with Kathleen Bonnie and DC. Their mother could make the best chocolate gravy and we kids would lap it up. I remember all of us running through the corn patches and eating daddies watermelons. Heaven gained a beautiful person and we will all rejoice with her on her homecoming miss and love you may God bless every family member and give grace in this difficult time. Glenda Kirby
