“ I remember playing with Kathy as a blonde curly haired toddler...but my favorite day was spent with her here in Florida, just two years ago. We had a wonderful day of lunching at a Greek Cafe in Tarpon Springs, playing board games in a park by the bay and my pushing her on the swings at a playground. I can still see her smiling face and am so happy I had that time with her. I will miss you Kuzin Kathy..Love, Cuzin Connie###imported-begin##Cuzin Connie Manahan###imported-end##

“ I've known "Kuzzin Kathy" all my life, but only really got to know her and her family the last four or five years while researching my family tree and through my trips to Atlanta for school. I was so happy she could attend the big family reunion in 2005. She was always so cheerful and happy to do anything she could for you. She will be missed.

My deepest condolences to Alan, Megan, Jerad and Kyle. And to my Aunt Mary and the rest of the Fink & Godsave family. Kathy left you all with a lifetime of memories. Cherish them forever. Love to you all.###imported-begin##Mark Wakenshaw###imported-end##
