“ *I met Kelli in 1993 when I moved into a new apartment. Kelli was not only my neighbor but became my best friend. Her fun personality and good sense of humor made her so easy to talk to. We have shared many great times and lots and lots of laughs. She had such a big heart and was quick to do something kind for others. I am very saddened at Kelli's passing but extremely grateful to have known her. I will miss you my friend. Pamela Chiavetta*

“ *I'm at the Rogers this summer of 2007. Tommy was just a little boy and came into the gift shop and spent time with me and gradually I meant the entire family and they became family to me. Kelli was like a little sister that I never had. ❤️*

“ I met Kelli and Tom several years ago while working on Canton Street. Instantly, we became friends and they would always stop and chat while I was working.

*Kelli, you were one of the warmest people that I ever met and an absolute joy to be around. You were always smiling and had a positive outlook on everything. You always thought of others as you would regularly bring "Big Jim" and I homemade beef jerky and other snacks. I always looked forward to you, Tom and Nala dropping by to visit and catch up on the gossip. Canton Street will never be the same without my dear friend stopping by. I am saddened by your death and will miss you greatly.*

*Thank you for being my friend and may you rest in peace.*

*Your friend,  
Dwayne*
