

Ms. Kelly Dawn Hayes

March 14, 1969 - February 2, 2022

Kelley Dawn Hayes passed February 2, 2022 due to lung complications, non-Covid related. Born March 14, 1969, Kelly grew up in Crabapple, Georgia. Kelly was genuine, caring and always thinking of and wanting to help others. She enjoyed listening to music, going roller skating, watching Braves baseball, cruising the road in her Camaro, and found happiness in the simplest things in life. She loved and valued her wonderful family and friends. She was preceded in death by her mom, Peggy Hayes. She is survived by her dad, Robert Hayes; brother, Tony Hayes; nephew, Houston Hayes; niece, Hannah Hayes and her lifelong best friend, Debbie Broadwell.

Kelly asked that her loved ones, her family and friends, step outside some morning, give a little wave and whisper "God speed my friend; May we meet again." Remember all of the good times you had with me. Choose to smile often, keep a good attitude and be thankful for everything that you have. Think of me on sunny, bright blue sky days, because those were my favorite days. Be kind to one another and do a good deed for someone in need.

To honor her final wishes, she has chosen cremation with no visitation or service. She wishes for her ashes to be scattered by her family in places that were significant in her life.
