“ *Ken was a wonderful person, and a shining example of the special employees at the Birmingham Village Publix who truly do make shopping there a pleasure. He always took time to engage and interact with my son, an adult with special needs. If I came through his line alone, he asked about Ben. Thanks be to God for his life, his service, and the joy he brought to others; and thanks to his family for sharing him with the community. Many blessings to you at this sad time.*

*I am heartbroken over Ken's passing. I met him at Publix and have known him for years. I always enjoyed chatting with him when I would check out, and he used to always ask me how school is going (I'm a teacher). We had an unusual connection - years ago he worked for Tilly Lewis Foods in Antioch, CA and so did my dad! My son will miss Ken too. I am so sorry for your loss!
