

Kent Andrew Martindale

March 27, 1975 - November 27, 2024

Kent Andrew Martindale entered the presence of the Lord on November 27, 2024, at the age of 49. He was born March 27, 1975 in Danbury, Connecticut to David and Lynn (St. Clair) Martindale.

Kent met his best friend and wife, Tara Turner, while singing in an ensemble at Lebanon Baptist Church in Roswell, Georgia, where they continued to sing and serve together throughout their nearly 20 year marriage. Kent and Tara have four children: Annelise (16), Camden (14), Kelson (12), and Adleigh (10). A faithful follower of Jesus Christ, Kent was well known and loved for his gentle and easy-going personality, friendliness, and sense of humor. He saw someone he knew nearly everywhere he went to the amusement of his family. Kent graduated from Bob Jones University with a degree in accounting. He was a CPA who worked most recently for Cox Enterprises for the last 10 years. Kent enjoyed playing basketball throughout his life and found continued joy in supporting his children's involvement in various sports.

In addition to his parents, wife, and children, Kent is survived by his sister, Whitney (Aaron) Burk, and brothers, Scott (Andrea) and Blake Martindale; parents-in-law T.J. and Karin Turner, brothers-in-law Jared (Amelia), Kyle (Julia), and Corey Turner; sister-in-law Jana (Justin) Sandoval; and also by beloved aunts, uncles, cousins, and 19 nieces and nephews.

“ Kent will be remembered for his kindness and support towards my children and so many other children at East Cobb Christian School. I will always remember the parent meetings with Tara and Kent: sharing and praying for our children. Kent began helping the ECCS basketball team when my oldest was in 8th grade. Liam so appreciated and benefited from Kent's leadership, his encouraging words and the time Kent took to uplift and teach all the players on the team. Every time I saw Kent at school events or in the hallway, he always had a kind hello and a smile. I specifically remember him helping at field day before the summer, a megaphone in hand and a huge smile across his face.

I am deeply saddened for the whole Martindale family and all of your close friends. Kent's homegoing means there is a hole here (this side of heaven). The Lord is not only with you all, but He is also carrying each of you through this valley, one teeny tiny step at a time. God's plans and purposes will unfold, may His comfort surround and enfold you as you each grieve. We will always lift and pray for you and are here for anything you need. Love, The Skelly family

“ *We are so thankful that Kent joined our family. Many of us first met Kent when he attended grandpa and grandma Brondyke's 50th weeding celebration. The event was of course directed as a production by Mrs. B. He graciously added his voice to our "family choir" although not officially an insider at that point. He will be missed at every family event. We look forward to all singing with him again in a new "family choir" with him in glory.*

“ Another one (that I wasn't actually present for but Kent told so well) is when he and the other groomsmen were traveling back from Portland, OR from my wedding. Evidently the word "BOMB" isn't something you should say to TSA when they ask if there is anything flammable, hazardous, etc, but what does Kent do when asked that question...he says well we certainly don't have a BOMB! Evidently TSA heard the work BOMB and went into action cause they pulled him and rest of the group out of the line and started questioning and searching their things! So the dry whited, wouldn't hurt a fly if his life depended on it, would give you the shirt off his back, one of the best humans ever made learned a valuable lesson that day...TSA doesn't have a sense of humor. Man he was one of the really good ones.

“ Kent and I were camp counselors at High Point Camp in the summer of 95 and our good friends Jon and Barb Blair got married on a Saturday night that summer in Lynchburg, VA. Kent and I left Saturday morning after having 10 campers each all week and about 4 hours of sleep each night and we got into my Dodge Colt (Kent was 6'5" for those that don't know) and we headed to the wedding that started at 7PM. Well after many twists and turns during the trip and at one point while Kent was driving for a bit and he suggested we remove the drivers seat so he could sit in the back seat while driving (needed more leg room)! We got there PROMPTLY at 7:15 and proceeded to walk into the wedding 15 minutes late, which then prompted everyone to stop doing what they were doing to look back at two 19 year old idiot boys...we waved sheepishly to the crowd. Glad we made the trip and we got to watch the OJ white bronco chase that night and I will never forget it. Great travel partner and I'll remember that trip and lots of other things forever. Rest well big guy.
