After graduating with honors earning a degree in Bachelor of Science in Business Administration Kim began her career in Nashville, TN. Kim quickly moved into the pharmaceutical industry where she had an extraordinary career spanning 3 decades. She quickly advanced her sales career to positions of increased responsibility in sales and sales management. Kim was always looking for a challenge and worked for several organizations including AstraZeneca, Schering-Plough, Biogen, Novartis, Bayer, and most recently the exceptional AbbVie Pharmaceutical. Over the last few years Kim has been involved in advocacy with the Ovarian Cancer Research Alliance, Georgia Ovarian Cancer Alliance, American Society of Clinical Oncology, and the COA Patient Advocacy Network.
