“ I'm originally from South Weymouth. I met Kurt here on the Lake Oconee area of Central Georgia several years ago. There was a stray fawn in my yard and I was referred to Kurt for help. When he came out I noticed his strong New England accent. We chatted for some time only to learn we were both born at South Shore Hospital in Weymouth and both were brought up on the South Shore of Ma. We had quite a bit in common. Cigars, Scotch and our New England background. We touched base over the years. I sent Kurt a text in May of 2018 to see if he would like to join my wife and I at a concert in Atlanta.

We were going to catch a Red Sox game in Sept of 2018. Life got in the way and we didn't connect. I never learned of his passing until now Feb -2019. I was floored and very saddened upon the news. I wish I could of seen Kurt one more time. He was tough on the ice but a kind and gentle soul to everyone he met. My condolences to his family. Kurt was a special person that I know you were proud of. This is a very sad day for me. Please...RIP friend.

“ *We are heart broken to learn of Kurt's tragic accident. Remembering his friendship and kindness and the fun we all had, such as when he rented out the rink for just Cole, Dave, Pete, and Kurt to skate one afternoon. Such fun times! Our love and prayers to Kurt's family and friends, especially Zoe and Cole ❤️*

“ Walks and I shared a few Cuban Cigars, Laugjhs and a few cold ones through the years, but most of all I will miss our talks and discussions on how to help all the former players who were down on their luck or were so besieged by past injuries and were left with no medical coverage at all. I told him about how a friend of mine who was a former NFL Player,who started DIGNITY AFTER FOOTBALL, and how they help all the former players with medical and other situations..Needless to say Walks didn't hesitate to investigate on how he can do the same. I introduced him to my friend and Walks picked his brain on how to start DIGNITY AFTER HOCKEY... You all know Walks, he took that ball and ran with it and gathered up all the support and Legalities to start DIGNITY AFTER HOCKEY.. The rest is history. That was the man that I knew, ready to help others in need and not to forget the many rescues of Dogs, Cats, Fawns, Ducks, and even squirrels who needed help.. I miss you my Brother .. UNTIL THAT TIME WALKS, UNTIL THAT TIME..... YOUR BRO .....GENO

“ I never met Mr. Walker personally, but he was always....ALWAYS....supportive in my visions and telling me to pursue my ambitions. A true gentleman. Kurt was a modern day Robin Hood. And sorely missed. Sincerest condolences to all affected in this tragedy.

“ Kurt was always thinking of others, not just people, but the animals too. He's the only one that I've ever met who had not only a pet squirrel, but also a peacock. Kurt will be greatly missed and will live on through Dignity After Hockey. Sincere condolences to Joanne, Zoe, Cole and the rest of Kurt's family.
