“ Vic and I share many things. We grew-up together in Zion Reformed Church, Troop 16, BSA, Sons of the American Legion. And later in life Elks 378 and Post 42 American Legion. I recall that we were camping at his father's cabin on South Mountain on Dec 7, 1941 and were told to pack-up early for home. We found why when we got home- Pearl Harbor had been attacked and USA was at war! Being 3 years younger, I was not called into service and was able to complete my High School education, however, I did enlist in the Army immediately after graduation.

You have my deepest sympathy on Vic's passing. He was a great friend and I shall miss him.

“ The Hagerstown Lioness Club in Hagerstown, MD was saddened to hear of the passing of Victor. His wife, Louise, was a long time member of our club. They were residents of Hagerstown for many years. The couple was very well liked and were a fun couple at many group functions. The Lionesses were sorry to see Louise and Victor move to Roswell but knew it was to be near family. Please share our condolences to their family and our blessings. With Love, Members of the Hagerstown Lioness Club

Barbara and family: sorry to hear that your father Victor has passed away . I met you, Barbara, when you were preparing to move your parents to Georgia . Your mother and I were good friends in the Lioness club. Victor had many friends in Hagerstown and was a great asset to all the clubs he participated in . I am so glad he and Louise lived their remaining years near you and your family . Condolences to all of you. .
