“ *My sincere sympathy in your loss . Mack , my first cousin , was a kind and caring person with a good sense of humor . This is my memory of him and although it has been 50 years since I saw him I'm sure he was the same .*

Ashley sent me an email but I didn't check my email until today or I would have been at the service . If you or any family are this way please contact me . God be with you during this difficult time.
