“ You left this fleshly world
and you entered a heavenly gate
made from a single pearl

Spread your new wings and fly
even though it hurts
mortal death must come before immortal life
Those of us on earth will keep you close

in our body mind and soul
as you wonder beyond the heavenly
streets crafted from transparent gold

I'll promise not to cry for the life you left behind
but cry happy tears for you surely did not die

I can not even imagine how truly happy you must be
for now you sit in heaven
among the king of kings

Thank you here from earth for all that you have done
and thank God's mighty son for dying
so you may live on

It's difficult for us to imagine you now
no longer moving fourth
but to be absent from the body
is to be present with the lord

We will never forget you
things you said and used to do
we gather here to day to honor you

Blessed was the day you left this world behind
for god is with you now and for the rest of time

*Go rejoice with your;
long lost family and old friends(and Sagie, Harley, Baco...)
meet the lord who made it all and the angels who protect*

*A life without hunger thirst or pain
where you never have to be sick again
and I will not lie
we selfishly wish you had never left
but I happily and gratefully know just where you have went*

*Even though it's hard
we tearfully mourn your earthly body
but I know one day I will stand again beside
my uncle larry*

“ Always remember to forget the troubles that pass your way: BUT NEVER forget the blessings that come each day.

“The willingness with which our young people are likely to serve in any war, no matter how justified, shall be directly proportional to how they perceive the veterans of earlier wars were Treated and Appreciated by their Nation.”
