“ *I have always known Larry Lanier as "dad", because that's is what he prefered to be called. He always had a big heart, but knew when to slip in that "dad advise" when needed. I always loved listening to his police stories of how he got the bad guy. He was always the hero to me. It is wonderful to see his sons becoming the wonderful caring father that he was. He is still alive in everyone's heart that he met. I feel blessed to have known him and also blessed that I was able to spend some time with him last weekend before his trip to heaven. Gail (Mom),Katrina, Donna, Jeff and Mike remember you have a guardian angel that will always be with you.
Love you all,

“ *Jeff & Monica,
Our hearts go out to you at this time. I know you miss your Dad and can't believe he's gone, but one day you'll meet up again. God gives us the gift of eternal life through his son Jesus Christ. Take comfort that you will be with him one day in the Lords Kingdom.
We will be checking on you in the weeks to come.
Much love.##imported-begin##Dean & Elaine Mabry##imported-end##*

“ Mike, I am sorry to hear about your father's passing. I know he meant the world to you as well as Jeff, Donna, Katrina and your mother. I really wanted to come out and pay my respects to you and your family but I was unfortunately unable to. Just know that even though your family lost a father, a husband and a grandpa, heaven now has a wonderful new angel up there looking over all of us especially your family. God bless you all. You all are in my thoughts and prayers.*###imported-begin###Pamela Hubbell (Wright)###imported-end##*
