“ Larry was a great friend at SSHS - a lot of good early memories there. Trips to Maurice's cabin on Lake Lanier, big boat with 2 chevy engines. Double dated a few times too. Remember he and Lee Burger going in to the military. Trips to Daytona on spring holidays. Meeting at the Standard station after dates were taken home. And the ride in the red '59 chevy after Dick Ungers way too young funeral.

Condolences to all his family and friends.

“ I am so sad to hear about Larry's passing. He was a very influential person to me and many others. He taught me many lessons about life and business. I am so grateful and blessed to have had the privilege to know him but so sad to have him leave us too soon. I will always remember him fondly and the outdoor adventures I was able to share with him, Todd and John. My heart, thoughts and prayers are with the entire Womack family during this difficult time. I am so sorry for the family's loss. The world was certainly a better place with Larry in it . I take some solace in knowing I will see him again in a better place and I look forward to that.

“ I am so sorry to hear of Larry's passing. While I did not know his family, I knew Larry from kindergarten all the way through high school. We were also raised in the same church in Sandy Springs. I last talked with him at our high school reunion in October 2014, where we shared many memories of growing up in Sandy Springs. My sympathy to his family; I know he will be greatly missed.

“ Lydia, Todd, and John - I am so very sorry to hear of Larry's Passing this afternoon. I was shocked to hear of Larry's passing-over to GOD's Kingdom - He was taken way too soon.... I will always remember the numerous golf outings at Settindown, the Member-Guest Tournaments, and the numerous North GA Opens that we all enjoyed very much..... Larry was one of most competitive people I have ever been happy to call a true friend. His success in the Electrical Industry can certainly be associated with his competitive nature. I know Larry would want us all to celebrate his life and accomplishments.... I will pray for you all and your families during this very difficult time. Please know that my thoughts and prayers are with you all. Larry is in a much better place and is sleeping with the Angels Tonight!!!!

Hammond School together, Sandy Springs High together, joined the Army on the "buddy system" together. And we were able to spend some quality time together with Larry and Lydia the last few years. I will miss his politics, his complaining, his humor and his competitiveness. Most of all I will miss a unique and dear friend of 62 years.
