“ *Laura and I were college roommates at UGA. Although we both grew up in Savannah we did not know each other until UGA. We were Phi Mu sorority sisters and roommates. We made so many wonderful memories (most we can remember) and shared so many laughs. We instantly became friends when we met on the lawn of Phi Mu on Bid Night. We did not see each other often once I moved back to Savannah but Laura always was a very special friend and someone that we could pick right back up like we were in college when we did see or talk to each other. Laura you were taken way too early and too fast and we will miss you soooo much!! But you are with your heavenly Father and your parents and your sisters and I know they are so happy to see you and welcomed you with open arms. My thoughts and prayers are with your precious children and husband and the rest of your loving family. I was always so envious of the fact that you had so many siblings and such a big family. Love and miss you tons!!! Lisa (Brantley) Yannett*

“ I met Laura when we were Phi Mu pledge sisters at Georgia. We were fast friends and lived together in a tiny 2 bunk bed room at the sorority house with our friends Laura Berry and Lisa (Brantley) Yannett. Our mutual love of life, sharing stories and adventures (that we won't detail, lol) created an even tighter bond as we headed to the ATL after college. We thrived and survived our 20s! Laura hosted me in Savannah several times along the way, and I got to know her loving, warm family. They were always so kind and hospitable!

I was honored to be in her wedding to her precious Dan, and I was thrilled to be at Northside when Julia was born.

Busy lives, family and career took us in different directions, but I always felt her presence in my life. Those that help shape you early on remain in a special place in your heart. You left us too soon, funny girl. God's speed! Rest in His arms. Love, Julia (Barton) Pollard

“ Laura and I were childhood friends from Kindergarten through St. Vincent's not to mention roommates at UGA. We knew we didn't have to speak every day to be close. We recently texted after my father's passing in January. She knew just what to say. Now I'm at a loss for words. Wishing many prayers to her family at this time. Her love for life and her sense of humor will be greatly missed.

Much love-Kathleen Mahoney Taylor
