“ *I am so sorry for your loss. Bing brought joy and laughter to our friendship and many of my high school memories involve her. I remember her fondly and have shared many funny stories with my children, so they remember her vividly as well. Please accept my sincere sympathy and know that I cherish her memory.##imported-begin##Elizabeth King Thurbee (Sug)##imported-end##*

“ Beth and Tammy, it's been years since we have seen you girls - but have kept up with you through Weeze. Weeze and I each had one younger sister, and now neither of us has these sisters. We are so sorry that y'all ( AND your Aunt) have to go through this .... God obviously had plans for your Mom, and although we can't questions them - we just know that at last, she is at peace and in no pain. She is with her Mom and Dad ( and her beloved Lee)- and we all just need to get through this period and realize that in time we will see and be with her and my sister. God be with you every step of the way,.##imported-begin##Kay and John Schulte##imported-end##
