“ *This little lady loved each and every one of us in the circle of the Kent and Dockery family. Indeed this little lady will be greatly missed she never had an unkind word for anyone for she loved all equally and I think her and her family( Kent and Dockery) for opening their hearts to welcome each one of us into their family . I love the way when I would visit that little lady she did tell me such beautiful stories of the Dockery and Kent family's she was a treasure of a lady. This little lady at the tender age of 97 still knew everyone's name and birthday isn't that something . In my opinion Lena Mace she deserves~ The crown of motherhood she was everybody's mother~. Rest in peace my little princes love Linda and Donald Kent*
