“ *I was so sorry to hear about Mrs. Bennett. She was such a remarkable lady, strong in character and body. I can vividly remember as a young teenager placing my feet under the Bennett breakfast table and feasting before going to work pouring concrete with Mr. Bennett and all the "boys". Mrs. Bennett also already had lunches in bags and had done loads of laundry.*

I'm thankful that our paths crossed numerous times since then and she was always kind and made me feel special by referring to me as one of her boys.

She was a special lady and so will be her memory.##imported-begin##Randy Crenshaw##imported-end##

“ Gary and Family,
I was very sorry to hear that Leola had passed. I will always remember her niceness when we were in Hopewell School and how she would give us Morris kids a ride home when we REALLY needed it. She was always a good neighbor and Mama and Daddy thought a lot of her and respected her. You can certainly say she had a good long life. My continued thoughts and prayers are with you all.
