“ Cindy,
We were so heart broken to hear about Leonard. We have so many great memories of him and your whole family with our Lumberjack family. He was one of the most positive spirits I have ever known. Always upbeat and positive and at every baseball game no matter what. I know that his spirit lives on in you and all of the kids. We were so privileged to have the time we did with him and your whole family. Love and prayers to your whole family and his parents.
