“ *I am so sad to read this. Leslie helped create my family with her careful, supportive, and detailed help with our adoption, nearly 20 years ago. I will always hold her in my heart as a special part of that. She was so proficient and wonderful in her work, which made her an angel to us. We felt so much peace knowing that she was handling things. I am sure there are possibly thousands of families who feel that way too. I know that her caring and beautiful spirit rests in the hearts of all who knew her and I pray her family is doing well. Sending you all a hug.*

“ *I prayed a Rosary for Leslie and her family. I remember Leslie for her beautiful, caring, fun, strong spirit. Family was so important to her. Gone from your touch but never your heart. She lives on in you. I am so very sorry. Will keep you all in my prayers.

“ Thoughts and prayers to Leslie's family. I got to know her as a parent at SAE. She did some embroidery work for me and was very talented and took such care and pride in her work. She was a sweet lady. May all of your special memories of her bring you some comfort during this difficult time.  
My deepest sympathy,

*I am so sorry to hear this news. I have not seen Leslie in many years, but we were fb friends. I met Leslie at St Johns Catholic Church and we became instant friends. We spent lots of time together back then, I learned so much from this amazing person. Prayers to the family, I am so sorry.*
