“ *I remember my great aunt several times growing up when we visited my grandmother and she was so jovial. I remember Labor Day 2001 when we had a family get-together at her and Uncle Winston's house and recall that she made the best green beans I had ever tasted. No one has outdone her yet. I will miss you Aunt Lillian. God will look after you now!!##imported-begin##Elaine Pelton##imported-end##*
